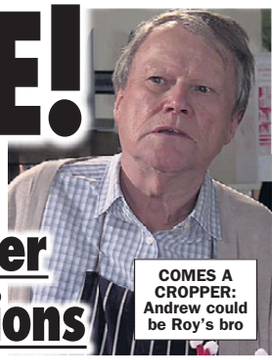
PRINCE ANDREW TO STAR IN CORRIE!

Shock moves to boost image after noncery allegations

HANDY: Andrew could use boost in popularity



COMES A CROPPER: Andrew could be Roy's bro

By BARNEY SAMUELS
news@sundaysport.co.uk

UNDER-FIRE Prince Andrew hopes to turn the tide of bad publicity in 2021 by appearing in *CORONATION STREET*.

The Queen's second son has had a terrible 2020, with noncery allegations swirling around him thanks to his friendship with the late superpaedo Jeffrey Epstein.

But flunkeys working for the 60-year-old Duke of York reckon all that could change with a bit of screen time in the once-popular ITV soap.

A source said: "His Royal Highness is sick to death of opening his morning newspaper and reading whispers that he's been up to no good with girls who are not quite legal.

"He flatly denies all allegations made against him and even went on the BBC to fight his corner but that just ended with an argument about whether he sweats or not.

"So he came up with this wheeze to appear on *Corrie*, which he thinks is still watched and loved by millions of 'common people'.

"He wants to join as Roy Cropper's long-lost super-rich brother who owns a private island in the Caribbean that is definitely not bursting with naked teenage girls."

ROYAL OF T'ROVERS: Charles in *Corrie* and his missus on *Strictly*

Our source added: "The Prince is conscious that when his brother Charles appeared in *Corrie* in 2000, his popularity skyrocketed."

The Royals have been very prominent on our screens recently. As well as the Queen's Speech on Christmas Day, Camilla made a cameo appearance during the *Strictly* final.

A *Coronation Street* source said: "Prince Andrew turning up on the Cobbles is a lot less preposterous than sone of the recent storylines, to be honest."

Mrs Brown set for five more years

THE shitshow that was 2020 has a sting in the tail... *Mrs Brown's Boys* will stay on BBC One for another five years, it's been revealed.

The sitcom aired three series between 2011 and 2013 and 18 specials since, following the antics of Agnes Brown and her dysfunctional family.

There was a special on Christmas Day and now creator and star Brendan O'Carroll says the show is set to contimue.

He said: "This new deal we signed last week goes all the way to 2026.

"We've been doing it in for nine years already – which is six more than *The Royle Family* had."

'I'll slip him inside and ride in the new year!'

GEMMA HILES, 31, 32E, FROM PRESTON

I HAVE never done this but I'd love to be having sex as Big Ben strikes midnight, so I'm doing it as the old year ends and the new one begins.

This year might be the year I go for it because normally I'm out partying when midnight comes and have to settle for a snog.

Seducing

Obviously, we'll be celebrating at home for this year so I might start seducing my man as the countdown nears.

I'll make sure I wear a sexy dress with no undies and then, as the first bong strikes, I'll climb on his lap and slip his hard cock inside me.

Hopefully he lasts longer than 10 seconds so I can ride him right the way into 2021 when he unleashes his first load of the New Year inside me.

That will help 2021 be a better year than 2020 from the start!

GOBBLED: Hannah's disgusted at what her hubby did to their turkey

By BARNEY SAMUELS
news@sundaysport.co.uk

DRUNKEN pervert Ralph Hughes reached new levels of depravity when he was caught by his missus licking out the raw turkey like it was a woman's minge!

Long-suffering Hannah, 52, has been through hell over the years thanks to her husband's love of sex with food.

But she reckons his latest actions are the worst yet – because it ruined what was already set to be a rubbish Christmas.

Tinnies

School dinner lady Hannah, from Chatham, Kent, said: "My Ralph is a right one when he's a had a few tinnies down his neck.

"Keep him sober and he's the nicest man you could hope to marry but when he's put away a few pints of Guinness, it's like a whole different person comes out.

"And that person is obsessed with sex and wanking off his plonker – normally over any available foodstuffs.

"I've seen him spunking all over a trifle,

VE OF CHRIST, SOME PEOPLE...

My hubby went down on the Christmas turkey while I watched Birds of a Feather

IN HAPPIER TIMES: But Hannah says that she can't forgive Ralph this time

CHRISTMAS TREAT: Hannah was looking forward to watching *Birds of a Feather*

slipping his length inside a lasagne and rubbing a choc ice all over his bollocks.

"It all started with that film *American Pie*. It was supposed to be a comedy but he saw it as an instruction manual and ended up porking an apple crumble.

"Since the whole lockdown thing I've been able to keep him under control because he's shielding so I just don't buy any booze and he can't get his hands on any.

"But my 85-year-old mother was due to come for Christmas and she loves a nice vodka and redbull so I made sure I got in a few bottles.

Cock

"Of course, at the last minute she couldn't come because of Boris, so I hid the booze in the garage.

"On Christmas Eve I sat down with a nice cup of tea and a box of Quality Street to watch *Birds of a Feather*.

"About 20 minutes in I heard a crash coming from the kitchen and went to investigate.

"I found my Ralph on the floor with his trousers round his ankles, cock in hand with blood pumping from his head – and the Christmas turkey on the floor next to him.

"He looked up all embarrassed and said, 'Sorry sweetheart, I was licking out the turkey and slipped'.

"He'd found the vodka and downed half a bottle, the daft bugger."

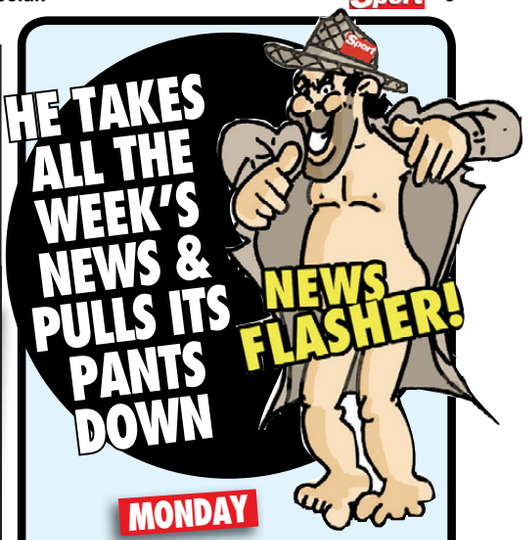
The cut was so deep that Hannah had to take Ralph to A&E where he was kept overnight for observation before being discharged with a warning from the doctors about his drinking.

She added: "He totally ruined what was already a shit Christmas.

"I didn't think to put the turkey back in the fridge when I took him to hospital and it was rank when I got back, so we had to open up a tin of Spam for our Christmas Dinner.

"I swear, I'm never going to forgive him for this one."

Ralph was unavailable for comment having been sent to the doghouse.



MONDAY

PUBLIC health chiefs in the north of England order anyone arriving from London to "self-isolate" for at least 10 days.

Nothing to do with COVID.

They just don't want to listen to some smug twat banging on about house prices, cycle lanes and that darling new artisanal cheesemonger that's just opened in between the organic craft ale joint and the pop-up quesadilla stand.

TUESDAY

THOUSANDS of lorry drivers are stranded in Kent – without proper sanitary facilities – after France closes its borders.

What a shame Dame Vera Lynn is no longer with us.

Otherwise she could change the lyrics of her famous tune: "There'll be poos chucked over, the White Cliffs of Dover, tomorrow, also bags of wee...."

WEDNESDAY

A RUSSIAN spy admits trying to kill a prominent Kremlin critic by smearing Novichok poison in his underpants.

Blimey. We've heard of fighting a war on many fronts before – but we never realised that included Y-fronts.

Well, we assume the poor chap was in Y-fronts. Russians tend not to wear boxer shorts...because Chernobyl fallout.

THURSDAY

CHRISTMAS Eve sees youngsters across the UK eagerly awaiting their annual visit from a jolly, tubby man with a bulging sack.

Or "daddy", as Boris Johnson's illegitimate kids still insist on calling him.

Sorry, gang, daddy's busy running the country (into a brick wall) at the moment.

But he should have a LOT more time on his hands in about, oooh, six months or so.

FRIDAY

THE big day arrives and the nation holds its breath to see if an explicit song – titled "Boris Johnson is a F**king C**t" – will make it to the Christmas number one spot.

The punk ditty was mainly bought as a digital download.

However, Theresa May bought around half of her copies on vinyl – and the other 500 on cassette.

SATURDAY

BOXING Day sees millions of people facing extra restrictions to control coronavirus.

Well, it's not the first Christmas to end in Tiers.

The extra rules means 90 per cent of us are now stuck inside with nothing to do but eat, drink, breathe our immediate family members' farts and watch endless shite on telly.

As soon as we work out how this differs to any other year, we'll let you know.

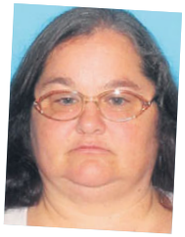
SUNDAY Sport ASKS... WHAT DO YOU think?

THIS WEEK: NEW YEAR RESOLUTIONS

I'VE had a lot of time to reflect on the things I've done and what I need to change and decided to turn over a new leaf.

For starters, I'm laying off killing people and cutting down on the kidnapping. And I've explained to my old mum I don't want a file smuggling in. Or a hammer.

Iceman Bill, D Wing



FOR 2021 I want to be like Nigella Lawson.

Clotted cream to dribble into my hefty cleavage. Moist pies packed with thick meat.

Sturdy sausages to seductively suck upon. Chocolate mousse for smearing around my mouth. All for randy old bugger Mr Jenson three doors down.

Maud Griffiths, Stoke

HOW nice it would be to wave a magic wand and make everyone's troubles go away, especially with all this coronavirus stuff still going around.

So that's what I'd like to do in 2021, although hopefully without having to run away from the police again when they catch me doing it in the park.

Jim Bispham, Warwick

I'M going to lose weight. I've bought fitness DVDs and sent off for loads of sports gear. I'm also thinking of getting one of them fancy exercise bikes for about two grand.

And maybe a rowing machine. Possibly some weights, too... oh, hang on, Deliveroo are at the door.

Kurt Smythe, Oldham

SAVING the environment is my resolution, as it should be for everyone. I won't be buying any more clothes from the racist High Street.

I will refuse to drink overpriced slavery coffee from cups provided by fascist baristas.

Just simple things we can all do without much effort. There's a great book about it you can order from Amazon.

Emma's urges for sex with a younger man

REMAIN whinger Emma Thompson wants more sex for mature women – and she's getting it!

In her next film we will see her "largely naked" with a man in his 20s.

Good Luck To You, Leo Grande stars Thompson (*above*), 61, as a recently widowed teacher who hires a young sex worker for a night of passion.

She said: "It's very interesting with this woman I'm about to play.

"This young man says, 'You're perfectly attractive, why can't you find another chap?'

"And she says, 'Because the only people willing to sleep with me are people my age, and I want to sleep with someone younger than me'.

"Now I've never heard a woman say that on screen. With men, it's completely acceptable."

While male actors are considered to be "distinguished" when they reach middle age, women "get past 50 and you're invisible".

During the Brexit referendum debate, Thompson famously described the glorious United Kingdom as "a cake-filled misery-laden grey old island".

SO a lorry-load of tortoises crashed into a trainload of terrapins, I thought, that's a turtle disaster.

Flasher's banned from nude walks

MAGISTRATES have banned a man from leaving his house NAKED.

When he appeared before JPs Stephen Maddocks, 50, pleaded guilty to exposing his genitals, intending to cause alarm or distress on September 17.

He also pleaded guilty to exposing his cock and balls 10 days later.

Magistrates remanded Maddocks, of Almondsbury, South Glos, on bail pending a probation report to be prepared for sentencing on January 7.

A condition of his bail is he is not to leave his house naked, to prevent reoffending.

Was First Minister caught short and forced to use face mask to wipe her little bottom?

STURGEON'S ENEMIES SPREAD OUTLANDISH POO IN PANTS RUMOUR

SHIT-STORM: Ms Sturgeon was forced to apologise for not wearing her mask

AS far back as the days of Macbeth, Scottish power politics has been a dirty and brutal business.

And so it is today, with rivalries between the ruling SNP and unionist Scots every bit as fierce as the clan blood feuds of old.

So when First Minister Nicola Sturgeon was seen at a funeral WITHOUT a face covering, it was like oatmeal from heaven for rivals who want to thwart her plans for an independent Scotland.

But these things get out of hand and by midweek the story had taken on a life of its own, with some unionist hardliners spreading the preposterous story that Ms Sturgeon was not wearing a covering because she'd wiped her ARSE with her mask.

A fuming senior SNP member said: "I first heard the rumour on Wednesday that Nicola was not able to wear a face mask because she's wiped her bottie with hers after being caught short and having to run to the lavvy.

"These union types will sink to any depths to derail the independence juggernaut.

"This preposterous story shows just how desperate they are."

Ms Sturgeon apologised last week for breaching COVID rules by taking her face mask off at a wake.

The *Scottish Sun* has published a photograph of her standing talking to three people at a social distance, but with her face uncovered.

She was attending a wake after the funeral of a Scottish government civil servant who died with COVID.

Ms Sturgeon had been wearing a tartan mask and is said to have taken it off briefly as she was leaving the venue.

In a statement to the BBC, the first minister said: "This was a stupid mistake and I'm sorry. I was in the wrong, I'm kicking myself."

THE VOICE OF YOUR BRITAIN

Midgets' pain really dwarfs our suffering

IT'S true that many millions of people have been adversely affected by 2020's awful pandemic.

Naturally, the worst affected are those who have lost their lives or their health due to this dreadful affliction from the faraway east.

But, like ripples in a mire, the baleful effects reach much, much further.

Our once-welcoming hostelries – already bowed and staggering due to long-term societal changes – have been hit by a series of lockdowns and a whole welter of pettifogging rules.

Our young people have been denied almost a full year of proper education, with many forced to follow classes via the so-called "internet".

The High Street, once the heart of Britain's retail commerce, has been hollowed out by the plague.

Barbers, sandwich shops, diners and shoe-shine boys who relied on passing trade have seen their customers disappear, ordered to remain indoors under arbitrary house-arrest.

But let us not forget one class of people who have suffered most disproportionately–Britain'sdwarfs.

With no pantos and precious few Santa's grottoes, traditional forms of festive employment for our little people have been scarce.

And today we tell the tale of a man who sank into depravity and perversion due to his despair.

The poor chap ended up dead, on the end of a Great Dane's cock.

Many months ago, a Chinaman helped himself to a spoonful of bat chow mein.

Little did he know that the foul act would lead DIRECTLY to a mini-man being bummed to death by a giant dog.

Say goodbye to shower of sh*t

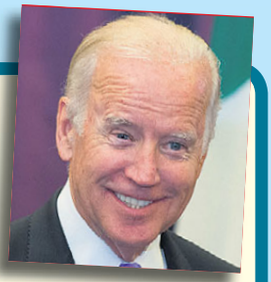
WELL folks, that's 2020 almost done – thank f**k!

Let us all hope and pray that after the shower of shit that's been the last 12 months, the next year will be a bit better.

Happy New Year, readers!

We asked Britain's leading psychic if next year will be an improvement on 2020...

JANUARY



FOOTAGE of U.S. President elect Joe Biden hosting a New Year's Eve party for himself, 300 hookers, Jack Nicholson, Leonardo DiCaprio and Nicola Sturgeon emerges.

Joe (*right*) later releases a statement calling the bash "regretful, but awesome".

The next day Donald Trump finally concedes the election saying: "That Joe Biden guy is alright."

Nicola Sturgeon resigns from her post as Scotland's First Minister after admitting a threesome with Biden and DiCaprio.

When Biden takes office on January 20, he appears with his wife, Jill, and Bunty – a 20-year-old sex worker who he describes as his "No.1 ho".

In his short speech he says simply: "If you thought Trump was crazy, watch this space!"

Brexit goes off without a hitch.

FEBRUARY

IN a shock result Carol Smillie is elected leader of the Scottish Assembly.

She causes immediate controversy by appointing Lawrence Llewellyn Bowen as Minister for Interior Design.

In England, Boris Johnson responds by appointing Sarah Beeney as Soft Furnishings Czar.

There's controversy on Valentine's Day when Jeremy Clarkson and James May (*right*) announce they have been a couple for the last three years.

A leading gay activist says about Clarkson: "We don't want him."

Joe Biden is snapped smoking a huge joint with rapper Snoop Doggy Dogg while Bunty twerks around the pair.

Asked about the pictures he says: "We got high as f**k that day!"

MARCH

BORIS Johnson is in trouble when he is recording discussing Soft Furnishings Czar Sarah Beeney's boobs (*right*).

"By Christ, they're f**king massive. What I wouldn't give to motorboat them," he's caught on tape saying to Michael Gove.

He rides the storm out after backing from Biden who, when asked about it from a yacht in Monaco, says: "I mean, the guy has a point… they are absolutely enormous."

Carole Smiley launches a new campaign for Scottish independence saying she will flash her boobs to Boris in exchange for a new referendum.

Boris refuses her offer, saying: "I'm steering clear of busters for a while."

Britain marks the anniversary of lockdown with a 60-minute clap for the NHS. But the move backfires as three million people are hospitalised with sore hands.

APRIL

AS coronavirus levels fall lower and lower, the first post-COVID brothel opens.

Dominic Cummings is the first man through the doors, saying he just wants to test his penis is still working after a second bout of the virus.

***EastEnders* viewers get a shock when Dame Helen Mirren (*right*) turns up as Phil Mitchell's new wife.**

She is the latest in a line of top actors to join soaps as work has dried up during the COVID lockdown.

Keira Knightley and Dame Judi Dench appear as long-lost Dingles on *Emmerdale* and Kate Winslet and Emma Thompson star as the new lesbian landladies of the Rover's Return on *Corrie*.

In America, Joe Biden reveals he has repurposed the Hubble Space telescope to look at women sunbathing in their gardens.

He says: "Damn! I just love me some tiddies."

MAY

JAMES May and Jeremy Clarkson announce they are to marry during an exclusive TV interview on *This Morning*.

When fellow guest Kristen Scott Thomas calls the pair "very brave" a visibly irritated Phil Schofield storms off.

His microphone is left on and viewers overhear him say: "But I'M the bravest gay!"

A huge Twitter row erupts and Phil is sacked from *This Morning*. In a shock move he is replaced by Brooklyn Beckham (*right*).

In America, Joe Biden is caught on camera snorting cocaine off the breasts of a dwarf hooker called Millicent while being sucked off by top porn star Riley Reid.

Confronted about the footage Joe smiles and says: "I like this job!"

JUNE

A NEW electric car with a range of 1,000 miles-per charge is revealed. It is set to revolutionise the world but many people are put off when its designer is revealed to be serial killer Peter Sutcliffe.

He came up with the design in prison during the final years of his life.

Sarah Beeney is promoted to Home Secretary after impressing with her campaign to "Get Britain Redecorating" to help boost the DIY sector.

Carol Smillie ups her offer to "a flash and a quick feel" in exchange for an independence referendum.

Boris refuses again.

In the US, Joe Biden reveals he has had a hot tub installed in the Oval Office and has personally asked New Zealand Prime Minister Jacinda Ardern (*above*) to come for a bikini business meeting.

She declines but German Chancellor Angela Merkin offers to go, prompting Biden to say: "Maybe 40 years ago, sweetheart."

JULY

AFTER three weeks with no cases, Britain declares itself coronavirus-free.

With much of the world now COVID-free experts are saying it won't be long until the virus is extinct.

A Save the Coronavirus movement springs up as campaigners bid to stop the virus disappearing forever.

Volunteers offer to get infected, in a bid to keep COVID alive.

Joe Biden celebrates American Independence Day by organising a huge parade of 10,000 prostitutes and strippers through Washington.

He rides the front float dressed as Ferris Bueller (*right*) – tossing out hundreds of ready-rolled cannabis cigarettes to the crowd.

2021 CAN'T BE ANY WORSE (...CAN IT?)

By SUZIE SHELDON
news@sundaysport.co.uk

WELL, what a hell of a year that was!

We have spent most of 2020 hiding in our homes, trying not to be killed by a deadly plague imported from China.

So, surely 2021 can only get better!

Well, maybe.

We consulted Britain's most accurate soothsayer, Dave Johnson, to look into his crystal ball and forecast what is going to happen over the next 12 months.

These are his predictions...

AUGUST

JAMES May and Jeremy Clarkson marry in a star-studded bash that is boycotted by the gays, who protest outside the venue chanting: "We don't want you!"

Phillip Schofield is spotted among the crowd.

Inside the venue, David Cameron and Noel Edmonds do readings while the Reverend Cole performs the ceremony.

Richard Hammond is page boy.

In America it is revealed Joe Biden has spent $38billion of taxpayers' money getting scientists to recreate all the weapons, traps and devices used by Wile E Coyote in the Road Runner cartoons (*above*).

The country's new anvil, giant rocket and roller skate industries help get the US economy back on its feet.

SEPTEMBER

PRINCE Harry (*right*) is kicked out of America for saying Joe Biden is wrong to have 50 call girls on a rota in the White House.

Biden says: "I ain't taking no shit from some pussy-whipped ginger limey. He can f**k off back to where he came from."

France and Germany fall out over plans to create a centralised European bottle bank.

Angela Merkel, still fuming about her snub from Joe Biden, becomes increasingly stroppy and threatens to take her rightful place as leader of a United Europe under Germany.

France surrenders.

In America Biden refuses to comment on the situation in Europe and appoints porn star Mia Khalifa as his Chief of Staff.

"She can be chief of my staff any day she likes," he says at a press conference held – like all his Presidential briefings, at a Hooters bar.

OCTOBER

IN Brussels, the European Parliament is renamed The Reichstag 2.0.

Carol Smillie (*right*) gets her wish for a Scottish Independence referendum after Boris Johnson accepts her offer of a topless handjob on King Arthur's Seat.

There's a huge outcry when, on his UK visit to discuss the European crisis, Joe Biden grabs Home Secretary Sarah Beeney's boobs at a No.10 reception, saying: "How about you and I have a special relationship? Honk honk!"

When Dominic Raab attempts to remonstrate he is shot and killed by US Secret Service agents.

Biden eats a piece of Raab's heart then daubs the Deputy PM's blood on his face and says to watching cameras: "Are you watching Germany? This is what we do to our friends. You are not our friend."

Sarah Beeney forgives Biden for his groping and lets him motorboat her.

NOVEMBER

AFTER a joint RAF and US Air Force raid flattens Hamburg and nukes Baden Baden, a terrified Germany cedes control of Europe to the US and UK.

Boris and Biden celebrate by eating sushi off a naked Emma Watson.

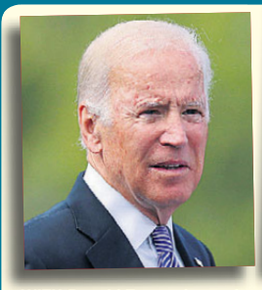
The pair then head to a Soho strip club to draw up plans to redraw the map of Europe, with Germany being absorbed by its neighbours.

Biden appoints Boris the President of Europe but 100 Conservative MPs resign from the party whip saying the country voted to leave Europe, not to take over the continent and rule it as conquerors.

Boris admits in an interview with Brooklyn Beckham and Holly Willougby on *This Morning* that he had no choice but to take over the presidency of Europe as Biden threatened to rip his face off and wear it as a mask if he refused.

In Russia, Putin (*above*) declares the country a vassal state of the US, with the majority of the Middle East, Asia, South America and Africa following suit.

DECEMBER



WITH Donald Trump dressed as Slave Princess Leia in a gold bikini at his feet, Joe Biden (*above left*) holds a press conference to declare himself King of the World.

Only China and New Zealand are holding out but China soon falls into line when Biden launches a nuclear attack on Wuhan.

Biden offers to let New Zealand stay independent if PM Jacinda (*above right*) sends him regular nude pics.

She refuses and Biden reduces the whole of her country to rubble.

Meanwhile, Nicola Sturgeon is the shock winner of *Strictly Come Dancing*.

Jezza fame due to tuck box shitter

JEREMY Clarkson claims that a schoolpal shitting in his butty box made him a man!

The former *Top Gear* presenter says he was picked on for two years during his time at boarding school, but that he overcame it to become a success.

Speaking on the Andy Jaye podcast, Jezza (*above*), 60, revealed that he was made to lick toilets clean and that one boy defecated in his tuck box.

And though he accepts that it was horrible and that others who experience bullying can suffer with it for a long time, he says it had the opposite effect on him.

He said: "The first two years I got bullied, and I have to be careful how I phrase this, I don't necessarily think in my case the bullying I got for the first few years was a bad thing.

"I think it sharpened me up and brought me to my senses.

"I appreciate that for many, many, people bullying is horrific but it just wasn't for me particularly."

The *Grand Tour* presenter revealed that he was expelled from his school, much to his delight, and that it set his course to become a household name.

NOT SO COCKY

A PERVY flasher in a Santa hat was feeling the cold when he exposed his "miniscule" willy in Stretford, Greater Manchester, according to a local Facebook report.

Get ready for orgies when pandemic is finally over

SEX and spending sprees await society on the other side of the coronavirus pandemic, a top boffin claims.

Professor Nicholas Christakis, a social epidemiologist, says that society will make up for lost time as soon as it's safe to, with hedonism quickly replacing conservative socialising – but that reversal remains years away.

The Yale University doctor claims in a new book: "During epidemics you get increases in religiosity, people save money, they get risk averse and we're seeing all of that now, just as we have for hundreds of years during epidemics.

"In 2024, all of those pandemic trends will be reversed.

"As in the Roaring 20s, which followed the 1918-19 flu pandemic, this will plunge humanity into an era of vice and indulgence."

He named sexual licentiousness, a reverse of religiosity and an economic boom as likely trends.

He added: "This outcome is fairly predictable, because this pandemic – though it might be novel to those of us alive today – is nothing like a new phenomenon in human history."

ANNA & JODI: YEAR'S TO YOU

COVER GIRL

By JAYNE FERGUSON

WHAT better way could there possibly be to see in 2021 than ogling a double bill of beautiful blonde babes.

Anna Taverner and Jodi Nichols are this week's twin Cover Girls – and here they are in all their topless glory for you to admire.

Anna, 34, who has 32D boobs and who lives in Richmond, Surrey, said: "I think that most of us will be happy to see the back of 2020.

"It was an absolute stinker, wasn't it?

"I'm sure this year won't be as bad, so here's to a very Happy New Year to all *Sunday Sport* readers."

Psychic

Jodi, 27, from Swindon, Wilts, says that she had an unusual 2020 predicted by a psychic.

The 34B babe said: "Back in November 2019, I went to have my tarot cards read and the medium said that I would have a relaxing 2020.

"Well, it's certainly been hard to work in 2020 thanks to all these bloody lockdowns!

"Let's hope that in 2021 we can all breathe free air and start enjoying life again.

LOVE ISLAND MEG GETS PLASTERCAST OF HER MINGE

By GARY DORAN
gary@sundaysport.co.uk

NEWLY lesbian *Love Island* babe Megan Barton Hanson has had her boobs and snatch immortalised in PLASTER.

Megan, 26, took to Instagram to document her day trip to female body casting artist Lydia Reeves who specialises in making casts of ladyparts.

Blonde Meg, who has turned her back on cock and is now a committed minge lover, said she initially only went to get a cast of her boobs made.

But when she got into he artist's Brighton studio she saw casts of the fannies hanging on the walls and decided to have her minge done.

The process saw her privates slathered in a latex mixture to make a mould which will be filled with plaster.

When it hardens it forms a perfect likeness of the sexy babe's nether regions – flaps and all.

The minge cast is a long way from what she was saying earlier last week about dressing more conservatively.

She claimed she was "going to start dressing like a nun in the New Year".

Blurry nudes still too rude

AN artist who runs nude drawing classes plans to sue Instagram after it removed her account – apparently because nude imagery was considered indecent.

Joanna Susskind, of Maryhill, Glasgow, had moved her business online and at the height of lockdown had 500 would-be artists signed up to her lessons.

She used only blurry or cropped images of nude drawings or photographs to adhere to Instagram's social media policy, yet it appears to have offended prudish Instagram, who removed her All the Young Nudes account, leading to a loss of bookings – and her calling in lawyers.

Ms Susskind, who has run life drawing classes for 12 years, said: "I don't mind if they tell us off, if they only would explain how we move forward."

Fatboy's joy at becoming a Thin dildo

FATBOY Slim has said having a sex toy named after him is the "greatest triumph" of his career.

The DJ, whose real name is Norman Cook, was the inspiration for the Fatboy Thin dildo.

Speaking about the moments that made him realise he'd made it as a performer, Cook (*above*), 57, remembered hearing his music on *EastEnders*.

He told the *Celebs & The Average Joe* podcast "I think the first time I knew I had arrived was when we heard a tune of ours on the jukebox at the Queen Vic.

"That's always a big moment in a musician's life – it's like 'Oh, we're part of the furniture now'."

The ex-husband of Radio 2's Zoe Ball then said that his "greatest triumph and greatest honour of doing this is to have a dildo named after me. Fatboy Thin it's called."

Earlier this year, Fatboy Slim joined the *#LetUsDance* campaign, urging the government to support the club and music industry through the pandemic.

CRAP ON LE FROG!

By REX ROWLANDS rex@sundaysport.co.uk

WHENEVER Britain is in a tight corner, you can ALWAYS rely on the French to put the boot in.

Whether it's refusing to help stop the Nazi march across Europe in 1940 or giving us NUL points at the Eurovision Song Contest, nothing quite cheers the Frenchman more than making life tricky for Les Rosbifs.

So it's understandable that France's oily President Emanuel Macron has been in his element over the past week.

Fertile

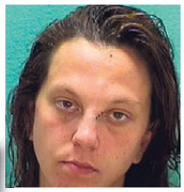
First of all he held Britain's free trade deal with the EU hostage, in a vain bid to allow his vile country's rapacious trawlermen to steal every last British stickleback from the vast bounty in our fertile waters.

And then he used the discovery – by British boffins – of a new COVID strain as an excuse to BLOCKADE Britain, freezing journeys and leaving families wailing at ports.

Thousands of trucks laden with Christmas pressies for little blind kiddies and orphans were held up by the stoppage, which also left supermarket shelves short of stock and subsequently stripped bare as the great British public calmly panicked.

Well, today *Sunday Sport* invites readers to show Macron what they think of him – by wiping their arse with the stroppy Frog using our special commemorative toilet paper.

ROLL WITH SHIT: Use Macron to wipe arse



Sex promise girl ties fella ...to rob him

A WOMAN convicted of tying up her boyfriend while promising him sex – only to rob him in his own home – has got off with probation.

Ann-Marie Eller (*above*), 28, was handed three years' probation after being found guilty of robbery in November 2019.

The victim told cops he had invited Eller to his home to get hot and sweaty, but instead found himself robbed by his girlfriend of just several months.

A criminal complaint stated: "She tied him up to the futon in the bedroom, allegedly to have sex, and then, once she had him tied up, stole three firearms and his mobile phone, which also held his bank card."

The man called cops after breaking free by using a lighter to burn through the rope used to bind him.

Eller, of in Newark, Ohio, was sentenced to 139 days in jail, but was granted credit for time served on remand.

A kidnapping charge against her was dismissed.

OPERATION KNEETREMBLER

Armada of east European hookers cross Channel to service stranded lorry drivers

THE blockade may have caused chaos for lorry drivers, supermarkets and shoppers – but it was a pre-Christmas boon for HOOKERS!

Thousands of horny truckers parked up in Kent needed their bollock bile draining and the hard-pressed local working girls were overwhelmed.

Clampdown

Seeing an opportunity, but banned from travelling to Britain because of the clampdown on travel, dozens of east European prostitutes were ferried across the Channel in tiny boats under cover of darkness to reach their panting punters.

One Romanian hooker, who wished to remain anonymous for obvious reasons, told *Sunday Sport*: "With all those truckers parked up overnight, it should have been like shooting fish in a barrel for professional working girls.

"The trouble was, we could not get to the barrel because of the travel ban.

"What with all the worries and panic over this new strain of the virus, all the ports and stations were crammed with people, cops and officials testing and others just trying to get anywhere.

"But we have plenty of contacts who know their way round these waters so we hired a few of them and their boats and slipped into England undetected.

"Then we set about servicing the truck drivers. They were very pleased to see us.

"I made thousands in a just a couple of days!'

New Year to come in with a big bang for all

RESEARCHERS have found that sexual activity dwindled in the run-up to Christmas but returns during and after the big day and over New Year.

They looked at the sexual activity of thousands of women around the world and discovered that in the U.S., people become less interested in sex in the three days before Christmas but this is quickly reversed.

The study by boffins at Stanford and Colombia Universities looked at birthrates at various times of the year and how they were affected by sex during the festive period.

They analysed logs of more than 500,000 women in the States, UK, France and Brazil from the women's health app Clue.

And they believe that they have been able to show a link between holidays and sexual activity.

The study found that both Valentine's Day and bank holidays showed an increase in activity but the three days before Christmas was a different story.

They also observed that in a reversal of the run-up to Christmas, there was the biggest rise in people having sex at New Year than any other day.

Cops probe porn on paradise isle

POLICE have launched an investigation after a porn video shot on a beach in paradise Bermuda was circulated on social media.

The video allegedly featured Japanese grumble star Hina Nanase, who was filmed in a variety of sex acts with a man on the island's Horseshoe Bay.

The video can be found on the internet and is called called *Bermuda 7th Year Anniversary Special Project*.

The police service confirmed it was aware of the video and had launched an investigation into whether the film breached obscenity laws.

A spokesman added that anyone who committed an indecent act in a public place was guilty of a summary offence and could face up to five years in jail.

STRICTLY MAISIE'S X-RATED PHOTO SHOCK!

ONLY A FANTASY: Trolls say Maisie will flog porn pics

Evil Mail Online trolls claim sexy teen will make millions from porn

By REX ROWLANDS
rex@sundaysport.co.uk

***STRICTLY Come Dancing* babe Maisie Smith has found herself in a cash for nudes scandal!**

The ginger beauty, who found fame as Tiffany Butcher in *EastEnders*, has become a household name since appearing on the BBC reality show.

A story on the Daily Mail website said she could make more than a million quid in endorsements following her stint.

But the rag's evil readers are convinced she will only make that sum by flogging sexy pics on the website Onlyfans.

Onlyfans sees mainly porn stars putting naked images of themselves online, which are only visible to subscribers.

So when the Mail announced that Maisie, 19, was set to make a fortune many of it's readers took to the comments section to insist the only way she could make such amounts was by showing her busters and minge on Onlyfans.

Not all readers were so crude about Maisie, with some praising her legs and butt

But the nice words didn't mellow Maisie's shock at suggestions she'd sell X-rated pics.

A pal said: "Maisie would never do this.

"She is a talented performer and won't be getting her bits out on the internet."

TEEN JIZZED ON TEACHER'S BOOBS

A PICTURE of a naked teacher covered in hot SPUNK landed her in the dock.

Thrilled pupils at a public school were cock-a-hoop when they saw the X-rated snap of their English teacher Andee Lantz.

But Lantz (*left*), 31, got into trouble because the semen covering her 36D boobs had spurted from the rock-hard cock of one of her 16-year-old students.

"It makes me sick to my stomach," said concerned parent Susan Clark.

By BRAD CHADWICK
news@sundaysport.co.uk

"I've been married 15 years and I've never let my husband spill his seed on my nakedness.

"And even if I did allow such a sin, I sure would not let him take a photo of it, no sir!"

Before long, Lantz became the talk of the town.

"In the beginning I didn't know if it was a rumour, I called a couple other moms and they said it was true," said Clark.

Court reports reveal when confronted by education bosses over an "inappropriate photo", Lantz and the young student initially denied it.

But over the course of the conversation she admitted to "hanging out" with the teen following an American football game in the grounds of the Carnegie Public School in Carnegie, Oklahoma, .

"A teacher should not be hanging out with a high school student, period," said Clark.

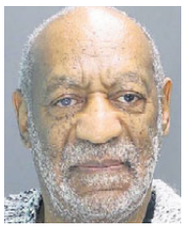
Court documents show Lantz admitted the student "leaned in and kissed her and it went from there."

Investigators said the two went back to the teacher's home where they had a wild sex session.

"I really don't think this type of behaviour should be tolerated, whether from a male or female teacher," said Clark.

The documents also show Lantz admitted to having sex with the teen on two to three occasions.

She has since appeared in court charged with second-degree rape.



Cosby stays 'healthy' by being filthy

DIRTY Bill Cosby is even dirtier – because he refuses to shower.

The convicted sex offender and fallen comic legend says he has stopped showering behind bars – because he is afraid of getting COVID-19.

He said: "As of now, I have declined to take any showers, and I have decided to take wash-ups in my cell.

"This is the best way for me to stay safe and healthy."

Cosby (*above*), 83, added that he is under lockdown 20 hours a day at a state prison in Pennsylvania amid a coronavirus outbreak in his unit and gets tested for the virus daily.

Cosby is serving three to 10 years for drugging and sexually assaulting a 47-year-old woman.

'Blackface' OAP hair dye let-off

A 60-YEAR-OLD man accused of wearing "blackface" in a city centre has been cleared by magistrates after explaining it was running HAIR DYE!

Retired journalist Mark Harris, of Chester, was arrested under new diversity laws when shoppers reported he was wearing the "blackface" make-up in a bargain store in the city in July.

Blackface, as worn by the famous Black and White Minstrels, is now considered offensive and wearing it in public can constitute a hate crime.

Harris, representing himself, said that the jet-black colouring on his face was, in fact, badly mixed Albanian-made hair dye that he had bought at a car boot sale in Blacon.

Apologising for any inadvertent offence, Harris told the court that he now sported a Mohican, which he only dyed using a reputable British-made colourant purchased "at no little expense".

Magistrates accepted his explanation and found him not guilty.

Outside court Harris's gymslip bride, who can't be named for legal reasons, said: "It's his age, poor old ct."**

SANTA ELF BUMMED TO DEATH BY GREAT DANE

RUFF RIDE: Huge dog's lust was too much for Fred

Pervert dwarf 'enticed' huge dog to mount him

A PERVERT dwarf who had been "knocked sideways by adversity" during the pandemic died horrifically when he was bummed by a GREAT DANE!

By SIMON DEAN
simon@sundaysport.co.uk

Little Fred Jones – who once made a fine living playing a Santa's elf in top department stores across the north west of England – sank into substance abuse as COVID-19 robbed him of his livelihood.

Giant

And in a fog of drink and drugs, the itty-bitty Bolton man decided it would be a good idea to encourage a neighbour's giant hound to bum him anally up the arse.

But the three-foot-four-inch entertainer soon found that the massive dog's attentions were FAR too enthusiastic for his mini behind.

His loud screams alerted neighbours but by the time they reached the scene, it was too late to save him.

One neighbour, who asked not to be named for fear of reprisals, said: "If I live to be 100, I never again want to see a midget bummed to death by a Great Dane.

"It was a scene of utter carnage, made all the more poignant because little Fred had been wearing his elf hat at the time.

"The dog, of course, did not know he'd done anything wrong and was looking pretty pleased with himself, to be perfectly honest."

Fred's long-time agent, Frank Probert, said: "Fred Jones was a huge talent in a little body.

"He simply lived to perform, especially for kiddies, and when that was taken away from him because of this bloody pandemic, he just could not go on.

"COVID and the closure of department stores accelerated by the pandemic meant that Santa's grottoes became a rarity.

"And no grottoes means there are no elves! He was knocked sideways by all the adversity he faced."

Mr Probert added: "God only knows what cocktail of drink and drugs he took to make getting bummed up the arse by a Great Dane seem like a good idea.

Risky

"It's a risky enterprise for a normal-sized person, but for a little person, as we have now tragically seen, it's a death sentence."

An inquest into Fred's death has been opened and adjourned.

There will be a full hearing in the New Year.

Cop caught bonking on film set

A COP was placed on leave accused of having sex at LA's famous Universal Studios.

An open mic recorded the alleged encounter said to have taken place near the Bates Motel set.

In the audio, a woman is heard sexually moaning as a dispatcher tells the cop his mic is on, but he does not respond and the woman continues to moan.

Los Angeles police confirmed the cop was taken off duty pending the results of an internal probe.

King's lover in explicit pics woe

ENEMIES of the King of Thailand's mistress have sent sexually-explicit nude selfies of her to anti-monarchists.

More than 1,000 photographs taken between 2012 and 2014 of Maha Vajiralongkorn's mistress, Sineenat Wongvajirapakdi, including many nude and some American-strength, held-open shots, have been distributed.

She recently returned to the the billionaire royal's harem from prison after being jailed last year.

It's thought she took the pics for her royal lover.

HAPPY

EVER WONDERED WHAT A

'I crave double penetration – it WILL happen'

I AM determined to try double penetration this year!

Threesomes are great but I've only ever had a cock at each end, so I have decided it's time to go full on and try double penetration.

I love anal and the thought of having a cock up my arse while I have another one inside me really gets me wet.

So this year I resolve to make it happen – and I don't think I'll struggle to find any takers.

The idea of having spunk dripping out of both holes is such a turn-on.

At the moment it's all I fantasise about when I am masturbating.

Krystal Webb
Age 31, 30G-24-32, from Birmingham

'Im hungry to taste a woman as I lick her out'

Bexxie Williams
Age 28, 32DD-24-34, from Brighton

I AM definitely going to have more lesbian sex this year!

There has always been a part of me that is a little bit lesbian – but I do love a nice hard cock, so I haven't really let that part of me out.

But this year I am determined to experiment with more girl-on-girl action.

I want to taste a woman as I lick her out and I am really excited by the idea of wearing a strap-on to shag another woman.

I love the idea of licking and playing with boobs too and I think letting a girl go down on me would be amazing.

It's pretty good when a fella does it, so imagine how good a woman would be.

SCREW YEAR!

GLAMOUR BABE'S SEX RESOLUTIONS ARE?

By JAYNE FERGUSON
news@sundaysport.co.uk

IT'S that time of year when we all kid ourselves that we're going to be better people.

From giving up fags to losing weight, we always tell ourselves that it will be different this year.

But these four *Sunday Sport* beauties have opted for different priorities.

Instead of the usual New Year's Resolutions, they've come up with their SEX RESOLUTIONS!

Holly Gibbons
Age 32, 32E-25_34, from Brighton

'I'll finger myself EVERY single day!'

I WILL be masturbating every single day.

During lockdown I spent a lot of time reading and some of the books were about sexuality and sexual empowerment.

I now believe I can't experience true sexual satisfaction with a man until I know every inch of my body.

So I have decided to spend 2021 exploring myself until I know everything there is to know about me,

I have already started and found exactly where my g-spot is following a mammoth fingering session.

That was a hell of a day – and I can't wait to find out a lot more about myself!

Kate Thornton
Age 31, 32G-24-34, from Brighton

'I'll dress in latex and be a naughty dominatrix'

I AM going to be dressing up for sex a lot more.

For me, sex is usually a spur of the moment thing. If I feel horny, I grab my fella and climb on top of him.

But this year I am going to prepare more. I want to get into wearing sexy outfits in the bedroom.

Sometimes that will just be stockings and suspenders.

But on other days I will be dressing in latex and being a naughty dominatrix.

Or I will be a coy secretary in a pencil skirt.

I like the idea of dressing as a nurse and giving my fella a sexy bed bath that ends in him spunking all over my boobs!

'Mask-rage' gun attack on strip club

THREE men who were kicked out of a packed strip club for refusing to wear face coverings returned with an AK-47 and opened fire, wounding three people.

Edgar Nava-Ayala (*above*), 34, Daniel Juvenal Ocampo, 22, and Juan Jose Acosta-Soto, 20, were tossed out of the club on Halloween after breaking its mask mandate.

But the irate trio returned armed with an AK-47 and Nava-Ayala fired at least 15 rounds at the theatre, wounding two employees and a customer.

One victim needed surgery while another had a shattered shoulder blade, cops said.

Police in Anaheim, California, arrested Nava-Ayala, Ocampo and Acosta-Soto last week. They have pleaded not guilty and are being held in jail.

All three are facing charges of attempted murder and if convicted, could face up to life in prison.

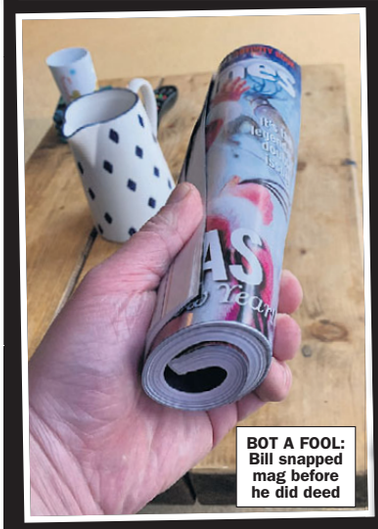
BILL NEEDS BIONIC ARSE AFTER STUFFING XMAS RADIO TIMES UP BUM



BOT A FOOL: Bill snapped mag before he did deed

HARD TIMES: Bill bust his arse with mag

FUN-LOVING Bill Door had to spend Christmas in hospital after he broke his arsehole by shoving a rolled-up copy of the bumper festive *Radio Times* up his backside.

The 64-year-old was taking part in a socially-distanced Zoom family party game of charades on Christmas Day when he was given a forfeit after no-one managed to guess his mime of *This Morning*.

While other family members had to do things like down a shot of tequila or eat a spoonful of chilli sauce, Bill's 18-year-old nephew Liam decided his fate.

By BARNEY SAMUELS
news@sundaysport.co.uk

And he told the lollipop man from Cleckheaton, West Yorks, to stick his *Xmas Radio Times* up his bum.

Liam got a severe telling off from his mum but eager to please, bachelor Bill, who lived with his own mother until her death in 2017, didn't want to disappoint.

So while the rest of the family moved on to the next round Bill set to work.

Then, 20 minutes later, after using copious amounts of Crisp 'N' Dry as lube, he announced to his family: "I've done it."

He then passed out from the pain of what was later discovered to be a bust sphincter. His sister Anne called for an ambulance and Bill was rushed to hospital but it was too late sto save his wrecked ringpiece.

Bill received a temporary experimental bionic arsehole which he controls via an implanted remote control on his arm.

Speaking two days after being released from hospital he said: "I guess I was unlucky.

"The doctor told me if had been a normal edition of the *Radio Times* I would have been fine.

"But I had to go and shove a bumper Christmas edition up my backside, didn't I?"

But he is now loving his state-of-the-art backside saying: "There's not that many people in Cleckheaton with a space age bumhole!

"Happen, I'll be famous."

Drunk blamed dog's driving

A DRUNK woman who drove into a ditch told cops: "The dog was driving."

Police found the 58-year-old motorist and her pooch after receiving a report that someone had driven into a ditch in Vancouver Island.

A statement issued by cops said: "The woman told police that it was just her and her dog inside the vehicle at the time it was driven into the ditch and that the dog was driving."

But officers sniffed that something about her claim was off – and suspected the woman had been drinking.

The statement added: "The officer developed the opinion that this woman's ability to operate her motor vehicle was affected by alcohol."

She was barred from the road for 90 days after refusing to take a roadside breath test.

Chainsaw horror at fast-food joint

McDONALD'S workers weren't lovin' it when a would-be customer started chasing them with a CHAINSAW.

Alice Sweet entered the diner and waved the weapon at employees behind the counter.

Sweet (*above*), 26, then stole some food and a drink before fleeing the restaurant, police said.

The manager later confronted the nutter, but then Sweet began chasing him with the chainsaw, police said.

Cops said Sweet, of Portland, Maine, also damaged two cars that were parked at the fast-food joint.

Officers called to the scene ran after Sweet and brought him down to arrest him.

Sweet has been charged with robbery, criminal mischief, refusing to submit to arrest and violation of conditions of release.

He's been slung in jail for Christmas.

SCHOOLKIDS BOOTED OFF THE BUS FOR BORIS C**T SONG

Surprise sweary chart hit brings family day out to sudden stop

DISC-GRACE: The offensive record *(above)* and Paula *(below)* with son Marky

A MUM says she was left "mortified" when she was booted off a bus after her eight-year-old son and his schoolmates sang a foul-mouthed song about Boris Johnson.

Paula Wells was taking son Marky and two pals to see a turkey that looks like a ballbag in Biddulph, Staffs.

But the group was booted from the bus when the youngsters started singing, *Boris Johnson Is A F**king C**t* – a ditty by shock punk rockers The Kunts, which is riding high in the hit parade.

The song, which repeats the lyric "Boris Johnson Is A F**king C**t", became a surprise hit as it caught the public mood about the PM and the song "went viral" on the internet.

Paula, 34, said: "I think that Marky and his mates must have heard it on the internet.

"Obviously, they are far too young to know exactly how rude the lyrics are but they know they are naughty.

"I was trying to get the boys to be quiet as some grannies on the bus were tutting – but you trying telling eight-year-olds what to do. It's like herding cats.

"In the end the driver pulled up and asked us to get off the bus because the lads were upsetting the old ladies.

"I was mortified. I've not been thrown off a bus since I sucked off a lad in Leek when I was 16.

"Needless to say, we never got to see the ballbag turkey and we had to get home. The lads were disappointed."

The single was released earlier this year as part of the cult comedy band's July album *Kunts Punk In Your Face*.

But the song – which DJs have to call *The Man Who Wrecked Britain – Mr BJ* for decency reasons – shot up the pop charts in Christmas week, a likely response from the music-buying public to the UK Government's last-minute decision to scrap the relaxation of coronavirus rules over the Christmas period and implement a new 'Tier 4' across huge swathes of the country.

Female prison officer nicked over lag shags

A SENIOR female prison officer has been nicked for screwing an inmate.

Tasheena Majors (*above*), 42, had been having intercourse since November of last year with the male inmate "over whom she had supervisory or disciplinary power", before she was recently caught, authorities revealed.

An investigation by prison bosses produced charges of sexual assault against her, they said in a statement.

Majors, who began working at the at Northern State Prison in Newark, New Jersey, four years ago, was served with a summons to be answered in Superior Court at a future date, the prosecutor said.

A prison source said: "They call prison warders screws, and now you can see why.

"Danged if that wasn't one lucky inmate, I'd do jail time for her, yessir."

Put aside the 65,000-plus COVID-19 related deaths.

And yes, resent the way politicians have handed their decision-making – and their spines – to Dr Doom scientists.

From Daisy Edgar Jones stripping off in *Normal People*, to the twenty-somethings shagfest of BBC's *Industry*, and Johanna Wallmeier peeling off in a *White Lines* orgy scene, it was a veritable flesh bonanza.

10 things you might not know about THE NEW YEAR

WELL, here we are – staring down the barrel of a new year.

And let's face it, 2021 would have to work pretty hard to be as shit as this one.

Most of us will get pissed and stop up late to herald in January 1, 2021 in the vain expectation that the new year will being happiness and fulfilled wishes.

Here are some facts about that terrible tradition where hope triumphs over bitter experience…

1 ROBERT Burns took a Scottish folk song called *Old Long Syne* and put his own spin on it in 1788, which is the version we all know today. Auld Lang Syne means "times long past".

2 THE ancient Romans are credited with the New Year tradition because of their Saturnalia festival. It was a celebration honouring Saturn, the god of time.

3 THE Pacific island nation of Kiribati rings in the New Year first.

4 WEARING red underwear on New Year's Eve will supposedly bring good fortune in the coming year – if you are an Italian.

5 WHILE the Spaniards believe it is lucky to eat 12 grapes in the first 12 seconds of the New Year.

6 THE earliest known New Year's celebrations date back to 2000 BC in Ancient Mesopotamia.

7 YOU will be told that January was named after the Roman god Janus. Not quite. It's actually rooted in the Latin word "ianua," which means door. The name was chosen to symbolise the opening of a new door that happens when the new year begins.

8 ENGLAND didn't adopt January 1 as New Year's Day until 1752, more than 150 years after Scotland. Before that the year began on March 25, the feast of the Annunciation.

9 THE most common New Year resolutions include 'quit smoking', 'lose weight', 'stay healthy and fit', 'save more money' and 'get (more) organised'.

10 IN 2014, Dubai lit up the sky with a huge New Year's fireworks display. The extravaganza featured 400,000 pyrotechnics firing over 400 parts of the Dubai shoreline. The display earned a Guinness World Record for the largest firework show ever.

It's not racist to say China's rulers are very bad bastards

A FEW days ago, when Boris emptied his bowels all over the festive season, Nigel Farage tweeted: "Christmas cancelled. Thank you China."

Now, it's not my job to defend Nigel Farage. He's big enough and ugly enough to look after himself.

But from the reaction to his tweet, you would have thought he had just recited Enoch Powell's Rivers of Blood speech.

The woke left rose as one and shrieked "RACIST!"

It's been like this from the start – we are not allowed to call COVID-19 "the Chinese virus".

There's never been any problem with calling the flu epidemic that killed 50 million in 1919 "Spanish flu". There are no protests about the name "Ebola virus", which is named after a river in the Congo.

Middle East Respiratory Syndrome? West Nile Virus? OK.

Criticism

But calling COVID-19 the "Chinese virus" is racist. Why?

Because the Chinese government – who know now touchy we are in the West about the r-word – are masters at crying "racism" to get their own way or to deflect criticism.

And this policy covers the trivial to the serious.

At the trivial end, we used to call the capital of China Peking until their government yelped "RACIST" and we all had to callit Beijing.

At a much more serious level, questions about the Uighur minority in China, who are kept in line with concentration camps, are smeared as racist.

Criticise China dismantling the rule of law in Hong Kong? Racist.

Worried about China bullying Australia and other Pacific Rim states? Racist.

Question where exactly China is getting all those human organs for transplants? Racist.

Suggest that COVID was caused by a leak from a Chinese lab, or that it's down to filthy, live animal markets? Racist.

Sickening

The bending-over-backwards to appease the Chinese so as not to appear "racist" can be sickening.

Last month the BBC reported that Mount Everest was on the border of Nepal and China.

Which is bollocks. Everest is on the border of Nepal and TIBET – an independent country that China invaded in 1949 and is now flooding with Han Chinese in a bid to wipe out Tibetan identity.

Imagine the shitstorm if the BBC had reported that Snowdon was in England?

To all this kow-towing to the Chinese rulers, I say F**K OFF!

China is a vast, brutal, ruthless SUPERPOWER.

It controls a huge amount of the world's trade and money.

It has so much clout on the world stage it was elected onto the UN Council for HUMAN RIGHTS!

Even Frankie Boyle's never come up with a joke that sick.

It's run by some seriously hard f**kers who do not play nicely.

But the insane left won't accept that the Chinese government are in any way "the baddies".

Because, to the insane left, the "baddies" are always white.

And that is allowing some seriously bad bastards to literally get away with murder.

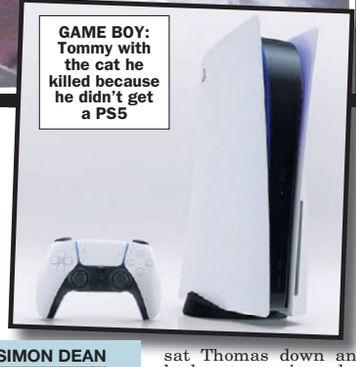
WHAT A LITTLE SHIT!

Brat put LAXATIVES in gran's Christmas dinner because he didn't get a PS5

MUDDY HELL: Ida spent the afternoon on the bog



GAME BOY: Tommy with the cat he killed because he didn't get a PS5

LITTLE Tommy Micklethwaite convinced himself that gran Ida Vaughn was going to buy him a space-age PS5 games console for Christmas.

So the grasping little shit was crestfallen when 76-year-old Ida – who has firm views on spoiled brats – presented him with a £10 book token instead!

In the resulting tantrum, six-year-old Tommy:

- Called his gran a "twat",
- Battered the family cat, Merlin, to death with a rolling pin,
- Smashed his four-year-old sister Phoebe's gifts with his fists,
- Vomited up the vegan chocolate selection box his indulgent parents Nigel and Petra had allowed him to eat for breakfast at their home in Ware, Herts.

But the tearaway was not done yet…

Because as the family watched Her Majesty The Queen deliver her annual message to the Commonwealth, Ida had to rush to the lavvy.

It was the first time she had missed the Queen's Speech in 40 years, so the family was immediately concerned.

That concern only grew as Ida remained in the smallest room for the next hour, "shitting through the eye of a needle", as she put it.

Initially, Petra feared that her vegetarian festive bake was to blame until Tommy's chortling and an open box of strong laxatives revealed the truth.

Crystal therapist Petra said: "Nigel and I sat Thomas down and had a very serious chat about boundaries and he explained that he was merely acting in an inappropriate manner due to disappointment over his presents.

"We, of course, both congratulated him on vocalising grievances in such an eloquent manner and were just about to have a group hug when Ida had to rush off to the bog again.

"We have told Thomas that for facing up to his anger, we'll buy him the PS5."

Now back home, Ida said: "That kid is the Devil. No wonder, with that New Age c**t as a mother and my soppy son as his father."

Spam burger topped with Oreos, want flies with it?

A McDONALD'S 'Spam burger' topped with crushed Oreos has been unveiled in China – to the horror of burger purists.

The announcement on McDonald's China's website described the taste of the Oreo and Spam burger as "tender and juicy", "full of meatiness" and with "a hint of sweet aftertaste" that amounts to "an unimaginable double surprise."

But many people on social media were quick to express their opinion of the dubious clash of flavours.

"How the hell does an Oreo work in a burger?? disgusting," said one Twitter user.

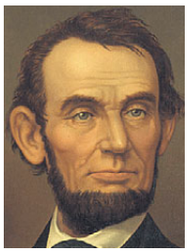
"Seriously one of the most disgusting burgers I ever heard of," wrote another.

Yet another moaned: "Better than sweet and sour bat, but only just."

But Abbie Xie, of McDonald's in China, said: "Luncheon meat is a trending food among youngsters nowadays.

"The flavourful and crispy Oreo, on the other hand, is a snack youngsters are familiar with.

"By combining the two foods, it showcases the collision of tastes and textures."



Slaves saver Abe 'a racist'

THE city of San Francisco may remove Abraham Lincoln's name from a high school because a district committee says the 16th U.S. President, who abolished slavery, did not show that "black lives mattered to him".

Lincoln is one of dozens of historical figures who the city school district's renaming committee argued led lives rife with racism and oppression.

Committee chairman Jeremiah Jeffries said: "Uprooting problematic names and symbols that clutter buildings, streets, throughout the city is a worthy endeavour.

"Only good can come from the public being reflective and intentional about the power of our word and names within our public institutions."

Apparently, Lincoln was beastly to the Red Indians, or something.

THEY'D STILL GET IT: Cast of *Sex and the City* will be back for a new series

By JUSTIN DUNN
news@sundaysport.co.uk

***SEX and the City* is being rebooted with the original stars – except for Kim Cattrall.**

The 64-year-old will not return for the new show after her public feud with co-star Sarah Jessica Parker.

An industry insider revealed that the fan favourite comedy drama will likely air on HBO Max in the form of a limited series but without Kim, who played Samantha Jones.

Interested

The original series, which ran on HBO from 1998-2004, also starred Sarah Jessica Parker as Carrie Bradshaw, Cynthia Nixon as Miranda Hobbes and Kristin Davis as Charlotte York.

The possibility of a reboot isn't far fetched, as Sarah Jessica has said in the past that she was interested in doing "some episodes of *Sex and the City*," though she would call it a "re-visit" instead of a "reboot."

Whatever, here's a look at all the original stars' tits...

Hound-biter goes barking mad at cops

A MAN is accused of biting a police dog and barking at officers after leading them on a mad chase.

Jorge Bucioperez (*above*) is now facing several charges after the wild chain of events that began when cops spotted him run a red light while driving at 10mph.

Bucioperez failed to stop when police tried to pull him over and sped up to 75mph, cops said in a Facebook post.

He then ploughed through a gate, into a driveway and fled on foot into a residential backyard, at which point police released their dog Blaze.

Blaze caught Bucioperez, but he allegedly bit the dog, tried to bite officers and barked at them.

Police in Corning, California said Bucioperez had been drinking, and that methamphetamine was found in his van.

He was hauled of to the lockup and had the book thrown at him.

STEPHEN FRY'S QI FACT

THE first police-car chase in the UK had a top speed of 15mph.

Gun suicide in police car

A WOMAN involved in a car crash fatally shot herself as she waited inside a police car to keep out of the cold.

Amanda Elbert, 32, had been a passenger in a vehicle that crashed in a street, cops say.

The driver of the car fled the scene on foot, but as police were investigating, Elbert took up their offer to sit inside their car to stay warm.

Once inside the vehicle, police say Elbert shot herself with a gun she had in her handbag.

Medics were called and she was declared dead at the scene.

State police are probing the woman's death at the request of the cops who responded to the crash in Gas City, Indiana.

No Barry, I WON'T shag your grandad...I don't care if it's his 80th

RIFT: Donna doesn't want to let old Tom 'have a go' on her

AS Meat Loaf famously sang: "I would do anything for love – but I won't do that!"

And Donna Price drew her own line in the sand when boyfriend Barry Thomas suggested a VERY unusual birthday present for his grandad Tom's 80th birthday.

Tradition

Donna told *Sunday Sport*: "Barry's family are from Catforth, near Preston, and he explained that it's a local tradition that when a man reaches the age of 80, he gets to have a go on his youngest male grandchild's wife or girlfriend.

"I looked it up on the internet and in parish records but I could find no record of this local tradition.

"But Barry insisted it was true because his grandad Tom had told him. The legend goes that if this tradition is not upheld, the Devil will come and steal the roof off Catforth Village Hall.

"Well, I like Catforth Village Hall as much as anyone but I'm not going to let old Tom 'have a go' on me.

By BARNEY SAMUELS
news@sundaysport.co.uk

"Between you and me, I think that he has made up this tradition just to look at my firm young busters and to get his fingers into my shaven young minge.

"The dirty old c**t."

Tom said: "That Donna thinks she's too good for solid Catforth traditions.

"She comes over here from fancy Goosnargh with all of her fancy Goosnargh ways and turns our Barry's head.

"Well, when the Devil steals the roof off the village hall, I'll know where to send the parish council, the stuck-up cow.

"I tell you, our Barry's too good for her. He should get a local lass."

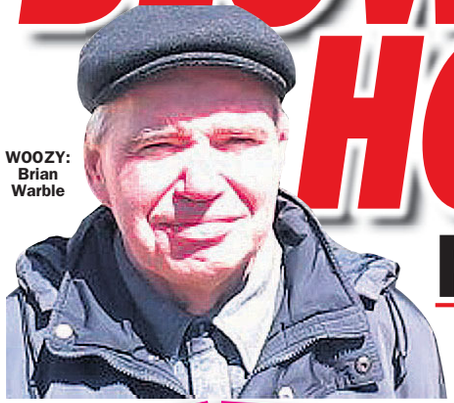
HOME-MADE XMAS CRACKER BLOWS UP HOUSE!

NEWS EXCLUSIVE



WOOZY: Brian Warble

BLOW: Brian's house

Festive horror rocks street

TIMES are hard and many people are trying to earn a little extra cash as the nation teeters on the brink of catastrophic total collapse.

And inventor Brian Warble reckoned he could make a few extra quid selling home-made Christmas crackers to his neighbours in Buglawton, Cheshire.

But getting the explosive charge just right for a cracker's "bang" is no job for an amateur – as Brian, 74, found to his cost.

Gutted

Because when he pulled one of his own crackers to test how it worked, the resulting explosion blew out his windows and the fire that followed gutted his tidy two-bed semi.

Long-divorced Brian thankfully escaped with his life but he was rushed to hospital with singeing, ringing ears and wooziness.

But last night some neighbours were not so sure that a simple error was to blame for Brian's mishap.

One, who asked not to be named for fear of reprisals, said: "It was an accident waiting to happen.

"That man is always tinkering when he's pissed. I've seen him lurching around with cans of Special Brew in his hand.

"There's normally just some banging and swearing. The idea that he was meddling with explosives is terrifying.

"How did he get hold of explosives, by the way? In Buglawton? I've written to the council."

Another neighbour said: "He's not right, that one. You wonder why his wife left him all those years ago?"

Sources say engineers will have to check the structure of Brian's house, which may need to be demolished.

A police insider said: "Once his wooziness has worn off, I think the terrorist squad will want a word with this chap.

"They quite enjoy using all their super new powers. I doubt this gentleman will be heard of again for quite some time!"

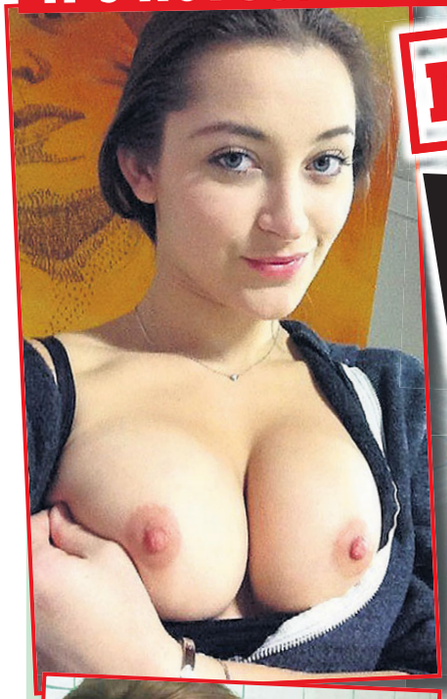
IT'S NOT JUST PROFESSIONAL MODELS WHO BOAST CRACKING BOOBS

IT'S AMATEUR WOWER!



A PROFESSIONAL glamour model must have a cracking pair of boobs to get on in the business.

In a way, it's their duty to humanity to reveal them to the world and the planet is a better place for that.

Packed

Yet not all women with fine busters are models but they still want to show them off.

Which is where the world of amateur porn comes into play.

The internet is jam-packed with pics of everyday ladies who are all happy to bare their amazing knockers for everyone to enjoy.

Whether they get a sexual thrill out of knowing there will be millions of fellas getting a look at their body or whether they're just proud of their naked figure, these women love flashing their bits.

And of course before those famous *Sunday Sport* girls were models they were amateurs, too – so we've dug out their first ever photoshoots from before they made the decision to whip their whoppers out for a living.

So when my current boyfriend suggested that I submit some pics to an amateur website, I was well up for it.

I love the idea that there are people all over the world ogling my breasts – I get really excited thinking about it!"

"THE first time I got my boobs out for a photoshoot I was really nervous.

I was only 19 but all my friends told me I should give it a go and I was really up for it.

But only two fellas had seen my boobs in the flesh before I stripped for the photographer.

He was lovely, though, and made it so easy for me.

I ended up having an enjoyable day and I am so glad I found the nerve to do it because I love my job."

Leanne's New Year with the Royals!

By WENDY THOMAS
news@sundaysport.co.uk

LOVELY Leanne Crow has something in common with Prince Harry and Princess Meg – she'll be in Los Angeles on New Year's Eve!

She spends much of her time in LA now that she's one of the world's most famous mega-boobed models.

Basking

But while Leanne, 28, from Sunderland, can get homesick at this time of year, she DOESN'T miss the British weather.

The 34H stunna said: "For the past few weeks you've all been shivering in the UK while I've been basking in the sunshine – in between working hard on modelling projects."

She added: "Living in the LA sunshine has made my boobs grow even bigger!"

My perfect Sunday...

Veronika Zemanova, 33, 30G, from Chelsea

I PREFER FULL ENGLISH SEX!

By WENDY THOMAS
news@sundaysport.co.uk

THE perfect Sunday always starts with a full English!

I'm not a UK native but I love living here and have really taken to the food.

I don't know why you guys get a bad rap for your cuisine because I love it, and my favourite is a proper breakfast.

Sausage

Ideally I like it cooked for me by a hunky man and it has to have bacon, sausage, toast, beans fried egg and tomato.

It has to be served with a pot of tea as well. A teapot is a must. I don't like tea made in a cup.

After that I like to watch cookery shows and then get down to some nice cosy sex.

On a Sunday, I like a nice slow shag while still in my pjs. It's best if my man slips inside me while we're spooning in bed or on the couch.

Then I get dressed and head out for a walk – a perfect day!

FIRST-TIME SEX

LOLA: It was all right, really. It was at my friend's house in one of the bedrooms. She was having a party and I met a guy there. I didn't intend to have sex with him, it just happened. I don't think it was his first time as he seemed to know what he was doing, so it was okay.
KAREN: Mine was a little awkward. It was at my house with my boyfriend. I think it was awkward as it wasn't planned and it was the first time for us both. I suppose it was okay.

BEST SEX

LOLA: My best sex was when my boyfriend made me come four times. He was on really good form that day and he knew it. He even told everyone we knew that he'd made me come four times.
KAREN: Mine was in my boyfriend's car at the back of my old school. It was exciting, he was older than me and he had a car. I think sex is better when it is risky and a bit naughty.
LOLA: I remember, he had a van, didn't he?
KAREN: Yes, so it wasn't cramped. I think because it was a different situation to what I was used to, the sex was better.

FAKING IT

LOLA: Yes, I've done it.
KAREN: It is just easier.
LOLA: I felt bad for him. He was absolutely useless, I couldn't be arsed and I was tired. I thought if I threw him a few moans and groans, he would speed up. If I'd have told him that he was rubbish, he would have got all moody. Lads always expect you to have sex and sometimes if you don't it causes arguments.
KAREN: I have faked too and for the same reasons really. It's to speed things up and avoid any awkwardness. I could never tell them that they were rubbish and I faked.
LOLA: Until you broke up with them.
KAREN: I only fake every now and again. I don't do it all the time.

OH-NO MOMENT

KAREN: For me, it has to be when my sister came into my room.
LOLA: How old was she?
KAREN: Old enough to know what was going on. It was horrible and it put me off, so we stopped and he went home. The most awkward thing was we never spoke about it.
LOLA: I was having sex in a car when someone knocked on the window. Then they shone a torch in to have a look. That was bad.
KAREN: What did you do?
LOLA: Not a lot. I couldn't get out and ask them what they were doing as I wasn't in a position to.

WILLY SIZE

LOLA: It is much better if it is bigger. I have never had a terribly small experience. With a big willy, the sex is always better. If it is big, you can have sex in different positions easier.
KAREN: It does matter, but I don't feel as strongly about it as you do. It does feel nicer, but I don't think it is the be all and end all. Average would be five inches for me.
LOLA: There is a difference between acceptable and preferable. Acceptable is five inches, preferable is 10 inches.

FAVOURITE POSITION

LOLA: Over a table.
KAREN: A snooker table?
LOLA: That would be nice. It is also nice from behind and feels better.
KAREN: The best sex I have had recently was on a counter. I was sat down and he was stood up and we were just at the right height and the perfect fit. It all seemed to work.

> **He was on good form and made me come four times – then told everyone we knew about it**

SEX TOYS

LOLA: I have got a vibrator that is good. Vibrators are good because I can use them on my own or with my boyfriend. If I use it on my own, I don't have to talk to it afterwards and I can just put it away.
KAREN: I don't like them. Saying that, I've never tried them but I'm just not that bothered.
LOLA: You really should give them a go. You might be pleasantly susprised!

DRESSING UP

LOLA: I like stockings and suspenders and a corset. I feel sexy in it and he likes it too, so it's good for both of us. When I dress up it turns him on and makes the sex better.
KAREN: I have loads of nice underwear but I don't dress up in costumes or outfits. When I dress in nice underwear, it gives me more confidence.

SPIT OR SWALLOW?

LOLA: I swallow. There's no point in spitting and when he sees you swallow it turns him on.
KAREN: You're so right, it does.
LOLA: LOLA: If you don't swallow, it ruins it. I think it is a turn off spitting.
KAREN: I swallow and I've heard it's good for you.
LOLA: I bet a man told you that. I bet he also said it does wonders for your skin.

SEX OUTSIDE

LOLA: I've had sex on a beach and in a park, and both times I was drunk. I do like sex outside. It's exciting and the thought of getting caught gets me going.
KAREN: Apart from when they shone a torch in at you.
LOLA: Okay, apart from then.
KAREN: I have had sex in parks too. I will have sex anywhere. My favourite place has got to be in the park near my home. One time, me and my boyfriend sneaked into some bushes and he did me from behind. We could see people walking past on the grass, having no idea what we were up to!

ONE-NIGHT STANDS

LOLA: I have had them and they are nothing to write home about most of the time. It is always drunken sex and it is never that great. It's not good because they don't know what you like.
KAREN: I have never had one. I am not attracted to the type of guy that tries to pick you up at the pub. I don't think I'll ever have one.

BUM FUN

LOLA: I have had it and I like it. It is something different and fun. It is good to have it now and again.
KAREN: I've had it but I'm not a massive fan. It's usually the lad who wants to try it. What was the best part about it for you?
LOLA: The first time I did it, my then boyfriend couldn't believe his luck when I told him to put his willy up there – I'd never seen him so excited. It felt a bit strange at first, but then I got more and more turned on and ended up shouting at him to bang me harder. We both had amazing orgasms and I've done it loads of times since and enjoyed it just as much every time.

FANTASIES

LISA: I was 18 and turned up at my boyfriend's house wearing just a coat. When he realised, he threw me straight onto his sofa and f**ked me senseless. We moved into every room in the house after that – it lasted about three hours in total and it was just as good as my fantasy.
FIONA: I have not lived this fantasy out yet, but I'd love to have sex with a future boss in the workplace. I imagine I'm working in a hotel and have wild, rampant nookie with the duty manager one night. We'd have been flirting for ages and then one day I start kissing him and we can't control ourselves. We do it on a desk and knowing that someone might walk in and catch us is just the biggest turn-on.

SUNDAY Sport LEGENDS OF PORN

PART 139

SAVANA STYLES

IT seems like ages ago when Savana Styles burst onto the flesh-flick scene.

By PENNY MARSHALL
news@sundaysport.co.uk

But the Boxing Day-born beauty from Quebec, Canada, was relatively late arriving to the world of porn.

She only started her career as a porn actress in 2015 when she was 33 years old.

Her maturity inspired casting directors to give her parts of a housewife or a MILF – Mum I'd Like To F**k.

But that wasn't all – her energetic performances can be seen in genres such as mature, blowjob, lesbian, interracial, big butt, fetish, hardcore and toys.

In 2016 she appeared on the cover of her film *MILF Swallow*, produced by Elegant Angel.

She soon had other excellent films under her belt, such as *Busty Housewives 6*, *White Booty Worship*, *White Cougar*, *Black List*, *Platinum Pussy (II)*, and *The Babysitter Crush*.

Savana, 38, is married to fellow – and very lucky! – porn star Clifton Todd Britt, also known as Lexington Steele.

COMELY: Savana's MILF looks have made her a hit

SUNDAY Sport SEXY BACK END!

Jess's train-ed to bare boobs!

By WENDY THOMAS
news@sundaysport.co.uk

JUICY Jess Davis wants to do more for the environment in 2021 – so her New Year's Resolution will be to use public transport more.

And that's very good news for EVERYONE as she likes to liven up a boring train journey – by flashing her boobs at total STRANGERS!

Happy

The saucy Welsh beauty has a perfect pair of 30Gs and she's more than happy for anyone to see them.

Jess, 23, said: "I was bored on the train one day so I took a quick photo of my boobs and sent them to a friend on Snapchat!

"Anyone could have seen what I was doing, but I didn't care."

Just like Facebook serves up your memories, we thought we'd remind all of you veteran sleaze fans of some of the game girls who've graced our screens in the past.

The type of beauties that boomed in the golden porn generation, gracing DVD covers, signing for fans at erotic shows and giving meaning to the words Porn Star.

Smutty

So we asked our good friends at Top UK porno channel Television X if they could send us some smutty pictures of their most popular girls from back in the day.

Some of you will remember these nymphos and how amazing they were at their days jobs.

We can honestly say that we were gutted when they decided to hang up their crotchless knickers and leave the blue movie biz.

Starlets such as Alicia Rhodes on her knees in the movie *Au Pair*.

The exotic Leah Jaye sitting on a very large tool in *Celebrity Sex Juice*.

The hot Cate Harrington taking it deep in the movie *Babe Spotting*.

Cathy Barry and her amazing hooters in *Extreme Cougar*.

The lively Aussie Elizabeth Michelle Lawrence taking more than a mouthful in *Sexual Predator*.

Sultry

Blonde bombshell Michelle B giving out oral lessons in *Analising Europe*.

The sultry Renee Richards getting done by legendary porn stud Pascal White in the *Demise of Renee Richards*.

Cracking brunette Sasha Rose opening her tattooed legs in *Motorhome Mingers*.

Not to forget the heavenly body of Shay Hendrix taking it like a trooper in *Asbo Trash Whores* and last but not least cutie Suzie Best showing just where she wants it in the movie *Erotique*.

Ladies! We salute you and miss you all…

Sunday Sport SEXY BACK END!

By PENNY MARSHALL

RAISE a glass to Zafira Klass – because she likes to bang all night and all she wants in return is a good feed!

The stunna, 29, who's originally from Budapest but who now lives in Manchester, is looking for a Brit bloke to cook her up a romantic meal.

And if she likes it, the 34D lovely is promising to serve HERSELF up for the lucky fella's dessert.

Energy

She said: "I can go all night, so I need a guy who has lots and lots of energy to keep up with me.

"I like to dance and party as much as the next girl but if I'm on a date I don't want to waste energy on a night out – I'd much rather spend it in the bedroom!"

And Zafira revealed: "The way into my pants is romance, so if a guy cooks me a nice meal and lights a few candles, he'll get a taste of me for afters!"

Zafira's looking for a good cook in the bedroom!

KINKY Kerrie Lee loves dressing up in saucy lingerie and knee-high boots for her fella.

The 22-year-old blonde bombshell, from Harlow, Essex, also says having her huge 30H boobs played with is her biggest turn-on.

"My favourite is a black lace set – when I wear that with my knee-high boots my man goes crazy and the sex is unreal.

"And when my boobs get played with, I turn into an animal!"

so am I says Antonia!

By SUZIE SHELDON
news@sundaysport.co.uk

PARTY-LOVING Antonia loves this time of year and not just because – in normal times – 'tis the season to be merry.

She also loves chill winter winds, because a numbing north-easterner makes the nipples on her 34D boobs rigid and super sensitive!

Antonia, 25, from Halesowen, West Midlands, said: "It is only the polar continental wind from the north east that has this effect.

"I'm just out for five minutes and my pink nipples get stiff.

"And if I am not wearing a bra, the rubbing from my jumper makes me climax – literally.

"I have had to run to a quiet place on cold days so often, just to sort out my soaking little panties."

THE WORLD FAMOUS AGONY Page

Dear Lexi,

MY fiancée pestered me for months to get married on her birthday last week. But I refused, because I am having an affair with her mum.

The girlfriend is 22 and the mum is 41 – and she is a cracker. She split with her husband just after my girlfriend was born and she has been on her own ever since.

She has many male friends but says she just wants sex, not a relationship.

We have it in all different positions and she likes licking my manhood after it has been up her chuff.

Her horny mother wants me to marry her daughter – but also wants me to carry on shagging her.

Do you think I can sustain such a relationship?

PH, email

Lexi says…
NO. This is a recipe for disaster. Dump one or the other – but ideally both.

Dear Lexi,

I AM a builder and have recently been working on some new flats. Every lunch I go for a pie and chips at a nearby chippy.

The girl in there is quite fit and I decided to chance my arm and ask her out. She scrapes her hair back, but I imagined she'd look quite good with it down. She agreed to go out with me and we went to the pub. I was right. She had her blonde hair down and looked fit.

We went back to her flat which she shares with two other girls. I had sex with loads of times and she also gave me an fine blowjob.

The next day I went to the chippy and she led me to the back room. She smiled, unzipped me, dipped her hand in the batter mix and then wanked me off. She has since told me that she and her two flat mates want to shag me. I'm daunted. Any tips?

MN, Derby

Lexi says…
THE best thing I can suggest is a jumbo pack of condoms – and a good supply of Viagra!

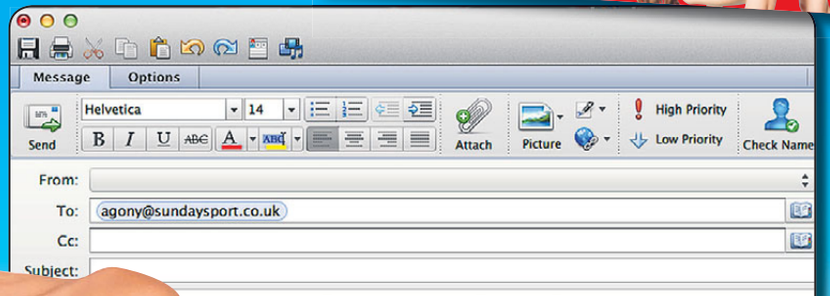
SUNDAY Sport SEXY BACK END!



How do I get hunk's nose out of book and into my fanny?

Dear Lexi,

I'M a 22-year-old single girl and I've got it all – all the latest gadgets and all the latest clothes.

I flick through mags like it's a religion, following the latest trends.

The thing is that I've shagged most of the fellas in the small town where I live and really want some fresh cock.

There's this lad who's moved in to the area and he's a hunk. The trouble is, he always seems to have his nose in what look like clever books.

Knickers

I've never read a book in my life and my reputation has been built on my back. Lads often call round my house for sex. Rather than disappoint them, I drop my knickers and bend over the sofa.

Don't get me wrong, I enjoy it and always orgasm. Sometimes it's like a scene from a porno, especially if my pal is about.

We fondle each other's tits for a while and then finger and lick each other's fannies while the guys watch – beating their meat until they spurt hot spunk over our faces. We take turns to lick and suck their pricks back to full hardness before getting f**ked over and over again.

The other night we were down the pub and I was sucking a lad off under the table when I heard a posh, stuttering voice ask if we could keep the noise down.

I jumped up, bumped my head and knocked over the table and all the drinks on it.

I was faced by the handsome, bookish lad and wanted to say something cool, but, as I started to speak, the sperm I'd got in my mouth started to dribble down my chin.

He looked at me as if I was dirt and walked off. Now when the lads come round to screw me, I've started to go off it, thinking about this other fella.

How can I win him over now?

HA, south London

Lexi says…

SOD him, get back to doing what you do best, looking great and getting lots of sex.

Dear Lexi,

I'M a 25 fella, with a gorgeous girlfriend of 30 who is the spitting image of her mother. Me and my girl live with her, and we sleep in separate bedrooms, but we try to have plenty of sex when we can.

She sometimes sneaks in to my room in the dark, blindfolds me and tiesmy hands to the headboard. She will wake me up by circling her tongue around my knob until it's erect, then sits on my face, her wet pussy on to my tongue. Then she slides on to my cock and rides me.

Recently, I have noticed that the love-juices taste different and I'm sure it's her mum who has been sneaking in first to blindfold me before doing it. Should I ask my girlfriend or not?

LW, email

Lexi says…

IF you are enjoying it then just play dumb.

Yeah. Speaking of which, your cock reminds me of a sausage. I'm gonna have some in a butty later…
I suppose we have been a bit obsessed with food lately!

OOH! OOH! YES! YES! What are you thinking, darling?
LAP! LAP! LAP!
I'm wondering if I polished off that jar of mussels last night, or if there are some left…

Lexi says…

NOWT wrong with a few naughty treats round this time of year!

But, do spare a thought for those who don't know where their next meal is coming from.

Why not make it your New Year Resolution to help out some local charities?

SUNDAY Sport SEXY BACK END!

Jasmine just an 'animal' in bed

SEXY Jasmine Rouge has a VERY kinky confession to make – she's a "furry"!

That means the 34D babe, from Newcastle, likes to dress up as an animal for sex.

The 28-year-old babe said: "It started when I dressed as a sexy cat for Halloween and found the whole thing really erotic.

"After that I started dressing up for sex and then started looking into the whole furry scene more.

"Now I have a tail that's connected to a butt plug, which I insert whenever I get ready for a furry session.

"I have sexy cat's ears, whiskers and a furry onesie with the crotch cut out – for quick and easy access!

"As soon as I start to get dressed I end up soaking wet and ready to get shagged senseless.

"I've been to a few parties around Newcastle where everyone is dressed up and which are TOTALLY wild!"

Neville: Let's keep football season going

GARY Neville says it will be disappointing if football has to stop again because of Covid.

There was a three-month break from March during the first wave of the pandemic. And some scientists think another total lockdown might be needed in the new year.

That's despite fans being allowed in some areas at the moment — although it's hard to see that situation carrying on for much longer.

Neville insists that the sport should do all it can to keep going and is doing just that. He said: "I was a little bit nervous in lockdown about it coming back in the first instance. I didn't feel we knew enough about what was going on.

"But a big, massive well done to the Premier League for the way in which they've conducted a safe return.

"It's a nonsense now if football is ever suggested to be stopped.

"A number of players have had it but football must continue."

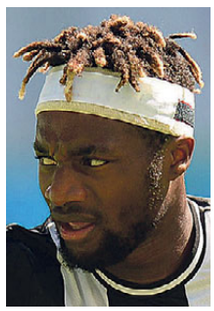
Footballers are tested regularly with seven positive cases from more than 1,500 tests in the most recent round.

That means those players have to self-isolate for ten days.

And Millwall had their Christmas games postponed after an outbreak within the first-team squad.

A club statement said: "The club's Calmont Road training ground has been closed with immediate effect in order to protect players and staff and to help prevent further spread of the virus.

PLAY ON: Neville



COVID: Saint-Maximin

This is a very regrettable but necessary move."

There are predictions of more games being called off a short notice thanks to the new strain that seems more contagious.

And Newcastle have been hit with Allan Saint-Maximin and Jamaal Lascelles still struggling.

But Neville hopes it won't mean another shutdown.

He added: "That first lockdown was harsh.

"There was a lot of uncertainty and anxiety about the virus at the time, it was something brand new in everyone's lives.

"The idea that football came back was a release for people.

"Those first two or three weeks I was worried about the quality and speed of the games.

"There was a period when it got really good and the games have been good this season."

NEEDS GOALS: Timo Werner

TIMO NEEDS MORE TIME-O

Lampard backs misfiring striker Werner

FRANK Lampard insists he has no regrets about signing Timo Werner.

By PAUL THOMAS

The £48m arrival from Red Bull Salzburg has had a quiet start to life at Chelsea.

The Bridge Boys are in the title race but could do with more goals from their leading striker.

But Lampard says he isn't bothered about the relatively poor return from the German.

He said: "I am not worried.

"Every striker will want to be scoring goals – it's what they ultimately get judged on – and that's why Timo was a great acquisition for us because of the level of goals he scored in the last few years.

"He is a player that's in a new league and we have to have time to settle but I think that's not the whole story with Timo. He's getting in positions regularly, he's scaring teams and giving them a problem."

Lampard is happy with Werner's general level of play and believes the goals will start flowing if he keeps doing the same things.

He added: "At the moment it's just not quite going in for him.

"The moment that changes because he keeps working hard, we'll see goals from Timo Werner for sure."

Tammy Abraham has been in better form after enduring a spell out of the side.

He bagged a double against West Ham and Lampard is expecting more from him now the floodgates have opened.

The Chelsea boss said: "You have to work for your goals and Tammy does that. I want him to be a handful and move, show energy and move the defenders around.

"We've had goals from all over the pitch, that's great. We need people scoring regularly and Tammy getting two will help him."

Impact

It's not just Werner who is struggling a little to get used to life at Stamford Bridge.

Kai Havertz hasn't had the kind of impact Lampard was hoping for either.

He arrived from Bayer Leverkusen with the reputation as one of Europe's hottest young players.

But he has struggled to find his place in the Chelsea team.

The 21-year-old shone in the Bundesliga in the No10 role that Roberto Firmino plays for Liverpool. But he has rarely had the chance to start games there for the Londoners.

He has been played out wide or as more of a conventional midfielder which doesn't play to his attacking strengths.

Top pundit Jamie Carragher believes Lampard isn't sure what Havertz's best position is yet.

He said: "He spent a lot of money on him so you've got to find a position for him in some ways.

"I think for Frank, he's probably not quite sure himself.

"I still feel Chelsea, Frank, they're waiting to see what type of player Havertz really is and where he fits into this Chelsea team, into the system Frank wants to play."

Spain the biggest winners of 2021

EURO STAR: Ferran Torres and Spain

8/1 BIG PRICE FOR EURO GLORY

LET'S look ahead for a couple of sporting bets that will see us right through the footy season.

First up, remember Euro 2020? Well they are still calling it that for some reason even though it's being played next summer now.

And I reckon SPAIN look a cracking bet to come out on top at a whopping 8/1.

Now we want to get right behind the Three Lions and, as things stand, the semis and final are going to be at Wembley.

But should Gareth Southgate's boys really be 6/1 when the Spaniards are a much bigger price?

Majestic

And there's talk that the tournament won't be played across 12 different countries as planned before the pandemic.

If it's moved to one or maybe two places then England's home advantage goes up in smoke.

Spain were majestic in hammering Germany 6-0 in their last game and coach Luis Enrique has them playing some lovely football.

There is no superstar now but they have a smattering of old heads like David De Gea and Sergio Ramos combined with rising stars like Ferran Torres of Manchester City.

They have been drawn into a decent group with a decidely average Sweden, Poland and Slovakia.

As the fixtures stand, they will get to play their group games in Bilbao which is a major plus. And if they top the group they will stay there for their second round match.

With those boxes all ticked, I'll be having a couple of quid at 8/1 now with the price likely to shrink as the big kick-off approaches.

With the Premier League closing in on the halfway stage, it's a good time to look at the long-term markets.

Top scorer is always a good one and Mo Salah is much the shortest in the betting at around 2/1 with most bookies.

Given that he's not exactly running away with it, that seems a little on the short side.

Harry Kane isn't the main focus of Tottenham's goal threat at the moment as he sits a little deeper. So we'll swerve the 5/1 about him and have a slice of the 10s on offer about his strike partner Heung-Min Son.

Although Spurs spend most of the time parking the bus, it means the chances they do get will almost certainly fall to the Korean if not Kane.

He's only a couple of strikes behind Salah at the moment and you can get a quarter of the odds for four places.

So back him each-way and you're making a small profit if he's in the first four and a big one if he manages to come out on top.

The bookies have decided that the title is staying at Anfield and have Liverpool a shade of odds-on to retain the Premier League.

That is another price that looks a little short even though it's hard to have confidence about many of the challengers.

You can have 5/2 about Manchester City catching their biggest rivals while it's 11/1 about neighbours United.

It's two places each-way so if you fancy Ole's Reds to finish second it's a third of the odds so you'd get just under £50 off a tenner each-way bet if you're an optimistic United fan.

MY REDS MUST WIN A TROPHY SAYS OLE

By ANDY MILLOM

OLE Gunnar Solskjaer admits Manchester United have gone far too long without winning any kind of silverware.

The Reds have not lifted a cup since their 2017 Europa League win achieved when Jose Mourinho was in the Old Trafford hotseat.

They are in the Premier League title race and could be second if they win their game in hand over most of their rivals.

But Liverpool appear a tough nut to crack so Solskjaer thinks the breakthrough will come in one of the knockouts.

And the Norwegian thinks seeing the red ribbons on silverware would be a massive step towards getting United back on their perch — whatever tournament it comes in.

PRIZE VOW: Solskjaer

He said: "Of course it's something we're aiming for. I remember myself winning my first trophy. Even towards the end of my career, I think it was Patrice Evra and Nemanja Vidic's first trophy in the Carling Cup, 2006 was it?

"I think that was their first trophy and it does give something to a team.

"We are desperate to get our hands on a trophy, these players are desperate to learn how to win."

Those comments are echoed by captain Harry Maguire who says he moved to Old Trafford from Leicester to win things.

That hasn't happened so far and it's something he's desperate to change.

The big stopper said: "It's really important this season that we try and get our hands on silverware and win a trophy.

"At this club we're expected to win trophies. We've got to start winning silverware.

"We haven't won in the last two or three years now and it's important."

Meanwhile, United defender Eric Bailly thinks the club is going the right way on the pitch.

He said: "I'm very happy when I watch the games, the team is ready and that is important for the future.

"You always need to be positive. As I said, the team has improved game-by-game and that is very important for the future.

"We have lots of trophies to fight for and we're in a good position in the league."

TITLE RACE 'ALL OVER'

TITLE TALK: Gerrard

JAMIE Carragher says he's certain big pal Steven Gerrard will win the league for Rangers this season.

The Liverpool legend reckons Celtic are already too far behind their Old Firm rivals and will need a clean sweep of Derby clashes to come out on top.

Carragher doesn't believe that's likely while the Light Blues are in good form.

He reckons ten titles in a row won't be achieved by Neil Lennon's men and Gerrard can lift the crown.

He said: "It doesn't look like the comeback is happening.

"Neil Lennon has got to win the next three Old Firms and that's not happening. Two of them are at Ibrox."

HAAL IN FOR MO

ON HIS WAY: Mo Salah

Klopp plans for future with big money swoop

LIVERPOOL are ready to replace Mo Salah with Borussia Dortmund sensation Erling Braut Haaland.

By JOHN ANTHONY

The Reds are planning for life without the Egyptian king after he let it slip that he'd like to sign for Real Madrid soon.

Salah has more than two years left on his contract so Liverpool could ask for big money.

They could swap him for Haaland who would cost £90m — a similar amount to what the Spaniards would have to pay for Salah.

Reports in Germany suggest the Norwegian is looking for a move this summer and wants his next destination to be the Premier League.

Both Manchester clubs and Chelsea are also interested but the offer of a first-team place under former Borussia coach Klopp would be hard to resist.

The 20-year-old can play right across the forward line so would fit in nicely with Liverpool's style.
